Parental Responsibility

“parent”, in relation to a child, includes—

- (a) a guardian of the child; and
- (b) a person who has **parental responsibility** for the child under a decision or order of a court;

The term 'parental responsibility' is defined in the Family Law Act 1975 as “all duties, powers, responsibilities and authority which, by law, parents have in relation to children”.

All parents have powers and responsibilities in relation to their children, which can only be changed by a court order. These powers and responsibilities are referred to as “parental responsibility”. It is not affected by the relationship between the parents, such as whether or not they have lived together or are married. A court order, such as under the Family Law Act, may take away the authority of a parent to do something, or may give it to another person.

Immunisation History Statement Information

Refer to page 4 of enrolment form

Scenario	Advice
Lost ACIR Immunisation History Statement	Contact the ACIR for a replacement statement. These can also be downloaded and printed from the Medicare website at any time.
Incorrect ACIR Immunisation History Statement	If vaccines are missing from a statement, contact the doctor/nurse to check if the records were sent to the ACIR. Once the updated information is received by the ACIR, a corrected Immunisation History Statement can be re-issued to you on request.
Overdue for a vaccination	See a doctor/immunisation nurse. The doctor/nurse will provide the vaccine and inform the ACIR. Once the updated information is received by the ACIR, an updated Immunisation History Statement can be issued to you on request.
Overdue for multiple vaccinations	See a doctor/immunisation nurse. The doctor/nurse will develop a 'catch-up schedule'. Your doctor can provide you with an immunisation status certificate.
Medical reasons can't be fully vaccinated	See a doctor. The doctor will provide information to the ACIR and, on request, the ACIR will issue you with a Statement that says 'up to date' and notes which vaccines your child cannot receive for medical reasons.
Overseas vaccination	See a doctor/immunisation nurse. Overseas vaccination schedules may differ from the Australian schedule and need to be checked by a doctor/nurse who will transfer the information to the ACIR. An Immunisation History Statement will then be issued to you by the ACIR at your request.
Questions or concerns	Seek advice from a medical doctor or immunisation nurse.
